

VATI LANGUAGE EVALUATION INFORMATION

VATI requires all of our students to have a degree of English proficiency. Given the blended nature of all the programs at VATI (that include both face-to-face and online studies) and to perform the required academic tasks, it is important for applicants to function well with English reading, listening, speaking and writing skills.

In order to support students to be successful during their studies at VATI, we recommend that our students who are **new to English and/or who have not completed a previous degree in English** to provide the following:

***TOEFL** (Test of English as a Foreign Language)*

- *If you do the internet based TOEFL exam, then the score that is required is **85**.*
- *If you complete the paper-based exam, the score that is required is **575**.*

***IELTS** (International English Language Testing System)*

- *If you complete a IELTS test the score we require is **6.5***

**All results will be valid for 1 year after the test is taken.*
